

Impact Pension Fund of the Year

Environmental Finance Award

The Clwyd Pension Fund are delighted to have been awarded 'Pension Fund of the Year' at the Environmental Finance's IMPACT Awards 2022.

The award recognises the Fund's place-based intentionality approach and commitment to investing in local and impactful opportunities.

The Fund is one of 86 local funds that form the Local Government Pension Scheme in England and Wales, and has been identified as a "trailblazer" by impact organisations 'The Good Economy' and 'Pensions for Purpose' for our strategies that support inclusive economic growth.

The Fund has a dedicated 4% asset allocation towards achieving true and meaningful social impact, and are committed to increasing our allocation further during 2023.
